ABOUT THE TRINITY TRUST FOUNDATION:

The Trinity Trust raises private funds and public awareness to implement the Balanced Vision Plan for The Trinity project in conjunction with the City of Dallas. The Trinity Trust has established The Trinity Center as the gathering place for all civic and non-profit groups working to revitalize the Trinity River in Dallas. It houses the offices of The Trinity Trust Foundation, Texas Horse Park, Groundwork Dallas and Trinity Strand Trail, and hosts meetings, workshops and events for these organizations and the Trinity Commons Foundation. The Trinity Center facilitates collaboration between these entities and the City of Dallas and encourages seamless integration of all the components of The Trinity project. More information, including Rat Pack membership, can be found by calling 214.740.1616, by emailing info@thetrinitytrust.org, or by visiting www.thetrinitytrust.org.

ABOUT THE TEXAS HORSE PARK:

The Texas Horse Park is a planned multi-disciplined facility designed for local, regional, national, and international use, to be located in the southern sector of Dallas, near the intersection for I-45 and Loop 12, on the eastern bank of the Trinity River. The Park is being developed as part of the City of Dallas' Trinity River Corridor Plan and is part of the 6,000 acre Great Trinity Forest, 8 miles from downtown Dallas. The Park will provide a unique opportunity to create a nationally recognized equestrian facility in a setting that reflects the agricultural traditions of Dallas County while protecting the natural beauty of the urban forest and enhancing surrounding areas. Approximately 600 acres are designated for use by Texas Horse Park. The proposed master plan includes an Equestrian Center, with arenas, barns, warm-up facilities, and spectator seating; a campground for recreational vehicles; a therapeutic riding facility; a trailhead staging area; and a community outreach center and School of Horsemanship.
